* KEN MITCHELL 760 ASH STREET, WINNIPEG, MANITOBA, CANADA. R3N OR6 *

ORDERING INFORMATION: Minimum order $20.00. Please enclose payment with all orders. Prompt refund on sold items. Money Orders or cash preferred, checks may cause delay in some cases. A self addressed envelope saves me time, for refunds, queries, etc. (Don't send U.S. stamps, not good, a coin OK). All orders are sent immediately by regular mail, postpaid by me. Since mails are not always speedy, you can figure anywhere from one to six weeks delivery time. All orders of $100. or more are sent by the more expensive parcel post, insured method. On orders under $100. add $1.00 if you desire the insurance (I can't recall the last parcel that went astray. I'm not responsible for uninsured parcels, of course). I use the expensive, padded Jiffy pags to withstand the rigors of postal handling, plus cardboard and/or other protection to make all orders well packed. Air Mail is very expensive so if you want be sure to add SUFFICIENT postage; it can't be insured but can be registered for $2.00. Postage rates went up in 1976 and going up in 1977, but what else is new ? If you are short of money I'll be glad to hold anything for a short time, with a small deposit. Alternate choices are very much appreciated because it means I don't have to send refunds (so who likes to give refunds? so, if you want to endear yourself to me.....Phone Orders 204:475-5128 (Evenings or weekends, but please, not morning, or late night calls, I have small, sleeping children. Thanks). When ordering indicate condition, as I have duplicates of most comics, in various conditions. [redacted] All items are Very Good or better unless otherwise indicated. SYMBOLS: (C) coverless, (PO) pages out, (PC) panel(s) cut, CFO centerfold out, REP newspaper reprints, NBC/NFC no back, front cover, (CAN) Canadian printing, 1-10 means #1 thru #10, (M) mint, (NM) near mint, Fi fine, VG very good, (G) good, Fa fair, (P) poor. BID ITEMS - If and when I ask for bids, its because I only have one copy of an item that I know many collectors want, and asking for offers gives everyone an equal opportunity to purchase, regardless of time or distance. Advise if bid is final, or if progress report on bidding is desired.

OVERSEAS ORDERS - Postage rates went up Sept 1, 1976 and are going up again Mar 1, 1977, so I regret, but I have to ask for some help with the postage. Please add at least $3.00 with all orders, and more, if the weight is heavy. No insurance, or Air Mail (too much extra paper-work, etc. involved. I understand overseas customs regulations, so no need for concern. C'est la Inflation !

These lists sent out whenever (a) the spirit moves me, (b) I "get Lucky". If you don't recieve a list for awhile, it probably means you're not on my active mailing list, so send $1. for new one.

NOTE: Prices reduced on many titles, especially where I have duplicates, so check and double check, titles such as Detective, Famous Funnies, Action, Crackajack, Ace, Crack, King, Funnies, More Fun, Smash, Popular, Sparkler, World's Finest, Comics On Parade, Wings, Tip Top plus thousands of single items.*

SUBSCRIPTION SERVICE

1.) Base your order on the total number of publications of any one price; in other words, 12 copies of one title or the next 12 consecutive issues of one title or 12 different titles in one month all costing the same 25c would be 23c.

2.) We carry any newstand magazine, so order what ever you wish.

3.) Try to give us lead time on the issue number you are ordering (the Comic Reader is a good source). If you do not specify otherwise, we will send the next available numerical issue.

5.) We ship subscriptions once a month, usually right after the end of the month. We take great care in attempting to foil the insidious plot of the Postal Service. As any collector knows, there is a directive in every Post Office ordering all workers to destroy any package which looks like it contains comics. We put our comics in plastic, protect them with cardboard and so forth but it doesn't always work. We will ship by U. P. S. but to do so, we must have your street address. For some reason the Postal Service won't let U. P. S. deliver to your Post Office box.

TERRY & THE PIRATES—In the first year of TERRY Caniff made a switch in art styles that established him as the contemporary master who influenced a generation of cartoonists. Forward by Caniff and Maurice Horn. Follow Terry, Pat and Connie as they meet spoiled-rich Normandie Drake and battle her kidnappers in the China Sea. From the beginning of the strip: Oct. 22, 1934 to Dec. 13, 1935. Clothbound—196 pages, $12.95

MEET BURMA—In the second year of the strip Caniff is into his full stride as a story teller. The trio of adventurers meet the alluring and elusive Burma as they run from the pirate, Capt. Judas. The wiley Burma uses all her charms to escape only to confront a jungle plague and the Hong Kong police. From Dec. 1935 to Aug. 1936. Softcover—96 pages $6.95

ENTER THE DRAGON LADY—The legendary lady pirate has become the epitome of the comics' femme fatale. She's dangerous and beautiful but there's a soft side as well. Pat Ryan experiences it all in this Terry adventure of action and intrigue. From Aug. 1936 to Mar. 1937. Soft cover—96 pages $6.95

CHANGE OF ADDRESS: when moving, please notify us immediately with both old and new addresses, allowing at least three weeks for processing the change. We cannot assume responsibility for missing issues or orders due to failure to report address changes.

I'm paying the following prices for WDC&S comics. See TBG 140 for Donald Duck, 141 for Animal and Pogo, 145 for Uncle Scrooge, and 148 for Marvel buy prices. Check will be sent within 48 hrs. of receipt of books. Please grade your comics accurately by Overstreet Price Guide standards. Fair books are bought at 50% of Good price. No Poor books please. Add 10% to NM prices for Mint (Perfect) comics. Interpolate between grades as needed. All lists will generally be good till a new list supersedes it. Most of the Donald Duck prices are up a little from prices published in TBG 140. I'm always buying any Dell and G.K. comics.

PULPS -- BID

INSTRUCTIONS: All items in this advertisement are for bid only. The winning bidder of each item will be notified as soon as the bidding closes, which will be ten days from the date of this issue of the Buyer's Guide. Send no money with your bid. The winner will be billed and given one week to remit his total bid, payment must be made in certified check or money order. Please enclose an SASE for notification of winning bids. I pay all postage for delivery. All items may be returned within seven days for full refund is not satisfied with condition of material.

As all PULP collectors know, the pages and covers are not uniformely trimmed and the cover page is usually larger than the contents pages. Also because of the cheap "pulp" paper used for the interior pages, they have a tendancy to become a little brittle, yellowed and sometimes slightly "mottled" in appearance. These issues are no exception. The outside edges of the covers in most cases, through reading-storage-and handling, have been bent over the contents pages with numerous tiny tears. All tears of ¼" or more and all major defects are listed below to the best of my ability.

Every issue has at least 2 action packed thrillers in the best tradition of the smaller pulps with such writers as Donald E. Kehoe, Joe Archibald, Frederick C. These are definetly beautiful magazines with August Schomberg and C. B. GOTHICS AND CONDENSED READERS DIGESTS

I NEED:

Any SF, Horror, etc. PBs. Even and especially recent stuff like 'Salem's Lot and Carrie and Omen. Also nonfiction occult and paranormal. (Serious stuff.. especially UFO and "strange occurence" material) Also Morris Jessup's Case For the UFO and something called "They Never Came Back" - don't know the author. Also need cheap comics. No quality stuff. I just need the cover on.

Also any John A. Keel book in hardcover. (Except the Eighth Tower). These would include UFOs: Operation Trojan Horse..Our Haunted Planet...The Mothman Prophecies.

Also any back issues of any quarterley reports on UFOs or reports from SITU or other Fortean organizations. (Does anyone know what I'm talking about?) I'm also doing research on missing (vanishing, you know) people and if you've lost anyone lately I'd like to hear about it.

Also I do astrological charts and will do them very cheap if you have the merchandise I want. This is the real thing. You get the actual chart and 20-25 pages of interpretation with rising sign, all the planets and etc. Good Xmas gifts!! Usual price is $25 - $30 but I'll sacrifice my invaluable time in return for a zillion worthless comics or whatever. Write and lets dicker.

This is my first sales ad in TBG, and I can only hope that TBG will work the other way around. That it worked from you to me Ron Foreman, Ken Mitchell, Mike Conklin, Hank Luttrel, John Meyer, John Nichols, Mike & John, 4th World, Bill Lippincott, Yosemite Sam and a host of other can testify upon. To you and all the others who over the past years have shown considerable understanding and patience with unavoidable difficulties in transatlantic dealings: thanks a lot. You have shown that it's possible, and I'm sure we'll do more business with each other.
But pleasurable though this experience was, it also has been somewhat expensive, & I feel it's about time I try to even out the 'balance of trade' a bit. Though it might very well prove impossible to get some of you 8000 plus to buy European comics. Now, I know that some people feel like the gentleman on the right, quite some more can't really be bothered, but there are a few who are quite happy with them, like the gent dwon at the left bottom. It fans like him, I want to reach. And besides: it's true - foreign are good for learning or brushing up on languages. I myself did learn Spanish and Italian this way. Woodchuck's honor! No fibbin'! I won't say, I'm fluent now, but I can get along very nicely, thank you. And of course, they're fun to read, widen your experience of our favourite art-medium, and often even provide reasonably priced access to strips & comics no longer available in the States, or only at outrageous prices. 'Nuff of sales-pitch and spiel, in the next column read about my terms...

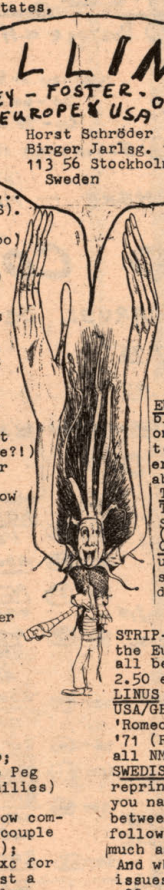

I'm not a dealer, and wouldn't want to be one. Moreover, my job (editing hc-comic-reprints for a German publisher), sometimes might cause a short hitch, as I might be away from home for a week or be snowed under by work. But I'll do my best to be prompt in delivery and answering. Should I be away when your letters arrive - and I hope they do - the orders will be honored acc to post-date. Grading: I apply the same strict adherence to Overstreet standards taht I expect to get my self (as some of you found out). All books may be returned for full refund if yound unsatisfactory in grading. All prices in US-Dollars and pr items (reservation for altered exchange rate). A couple of items are up for bidding, and they are very much worth it. Bidding closes one month after I have my copy of TBG (which is 2-3 days after you get yours, roughly). Some books I can offer discount on quantity: 5 books -10%, 10 - 20 %, 15 -25%, and 20 or more - 35 % (thereby splitting the discount I could get). Dont mail any money: wait for my acknowledgement of order. Most likely I will ask you to forward money to someone in the states to pay for stuff I'll be ordering. Remeber: this all is to lower costs for my own collecting.
I'm therefore also interested in trades (esp. on the Foster-posters, and the Disney-runs).
Postage will be paid by you, insurance as well, if you so desire. On larger orders a retainer will hold order up to 3 months or more (depending on largesse of order). Okay, that's it, folks, and hoping to hear from you - soon...

DISNEY: European Disney Comics (EDC) are mostly printed on quality paper, brightly colored, and carry lots of reprints from the USA (Barks a.o.). They're very popular (even Denmark or Holland outsell the USA) and on a weekly schedule. As the USA-material can not meet the demands Italy, Holland & Denmark produce their own Disney. All EDC carry Italian and Danish material, the Dutch only their own and some Danish- and much Barks: The ED-prod:n is not really up to the great Disney-artists from the USA -but who is? Still, they're up to, and often better, than much of the recent USA-Disney. The Italians specialize in rather gutsy stuff, with much revival of vintage characters and new characters. The Danes have a Barks-imitator (latter period Barks). You should treat yourself to this EDC-feeling - you might very well come to like it...
SPAIN: Coll. Dumbo: 80 pp, thick pulp, slick cover. 89 diff, of which 54 Barks (DD/US/FC) & 13 Barks (WDCS). Sometimes altered, alas! All carry other USA- and Europ. Disney. Very bright color. Ca 6 months ago I saw them offered in the USA at 5.oo (Barks) & 3.50 (others). You can take all 89 for 350.oo (instead of 412.oo) or: Lot of 10 at 40.oo (instead of 44.oo). My choice (at least 6 Barks DD/US/FC & 1 Barks WDCS).

DISNEY POCKETS: 2&0 pp; ea 2nd p = color; light pulp. Only Ital. strips. Have: Donald/US: 5 diff (french) 5 diff (german), 4 diff (Swedish); Mickey 2 diff (German). 2 = G only, rest VG-NM. 3.oo ea.

DISNEY WEEKLY COMICS: a) Holland: the best Disney currently around. Colors way out of sight on some Barks reprints, not to mention their own work. Carry also non-Disney strips (french/belgian/dutch; some Calvo). Have: 50 copies from 1975-76, most NM, exc for crease. Some have name of dutch artist written over story. Lot or singles (my choice) against bid. Minimum 1.oo/copy, but they should be worth more. They're soon out of circulation, as the publisher sells virtually every issue. When visiting them last year, I couldn't even complete my own collection.
b) Germany: complete run of German WDCS (=Micky Maus) from 1951-73: more than 1000 comics. Condition somewhat mixed on early years, as these are very rare, but all complete. Overall VG or better. Carries much Barks (WDCS/DD/FC/US), in later years also much EDC. Got this duplicate set for a library which backed out in the end, as the had pledged themselves for 8000 or so in other comics! (Who says comics are not culture?!) I paid 3500.oo for the run, and that's what I want back - at least. As the true market value is much higher I had expected a fat profit from the library. I won't expect it from you, but I simply cannot afford to wait 6 months or more for a well-heeled German collector (Who says that speculation pays off?). If you know German, than you will delight in the gracefully oldfashioned translation of Barks - a new dimension to Don & Co, and sometimes better & more charming than the masters verbal touch! By the way: there are some German-Armeican Disneyfans among you, aren-t there?
c) Sweden: a complte set of USA & German Disney, plus the Dutch from 74 onwards cover my need of Disney very satisfyingly. I therefore want to sell my personal collection of Swedish Disney: 1968-75 complete plus a couple of 76-es. Over 400 comics, most FN or better. Any bid from you Swedish-Americans? Come on, brush up or learn the language of your forebears?! Well...? Sigh...
d) a couple of Barks-Samplers (german) (1965 ff), some only G. 5.00 ea. Repr. WDCS/FC/DD/US -also some other

PRINCE VALIANT: gigantic 14.5 x 18.75" proofs in English, b/w, coated paper, sections 11-127 near complete + some doubles and some section aorund 170 - That's what I could get from a Swiss. As he demands a stiff price, I want to sound you out for interest first. Bought sections 24 & 120 as a test and have them up for bidding. The amount bid and the overall interest will decide. I should get a good return on them either cash or trade.
If not, I'll let them rot in Wilhelm-Tell-Land. Both are NM/M and white. Somewhat frayed at edges. Same applies to the whole run. Some are trimmed to panels, some have sharp crease in middle. Nearer you can't get to Original art Foster whithout getting broke. Now you actually see, waht you never saw in those few reprints...

VALIANT-BOOKS (german) 8.4 x 12 ", hc, 96 pp. exc b/w. These books reprint Valiant in sequence right from the beginning. So far 6 Vol. ea. 15.50 (quantity & discount avialable). The series will be continued with 2-4 books per year, all of which can be ordered through me. Also by subscription.

SEGAR: another one of my all-time favourites. Also here one item available in quantity/discount/
1, Popeye: same as the German Gottfredson books, full color. Has the 3 stories from Nostalgia plus 'Sock for Susan's Sake' & 'Wild Oats'. 20.oo
Black Valley (1934): French quality fan-reprint. b/w. Oversize, softbound. 20.oo
Hommage à Popeye: French fanbook (1966); oblong, 94 pp, b/w. article on films + reprint of 'King Swee' Pea' 25.oo

FEININGER: The Kinderkids/Willie Winkie (1906) A truly beautiful near facsimile-color reprint (64 pp, 10 x 14") of this fantastic strip. An absolute must for anyone interested in the medium beyond Super- and Adventurestrips. Why can't this be done in the USA? I would so much like an untranslated version! Gloom ... 22:50 (quantity/discount available).

EUROPEAN ARTISTS: a precursor of Comics were the sc 'Bilderbogen' of the 18th cent.: bloody murder, sweet-sweet love, fairy tales ect - broadhseet-ballads in pictures hawked on the marketplace. MÄRCHEN SAGEN ABENTEUER (110 pp, oversize, hc) not only has modern retellings of old fairy-tales, but also 45 (most on color) wholepage reproductions of Bilderbogen from middle 18th cent. M, 35.oo. Sorry for price, but even when in print it was about 30.oo...

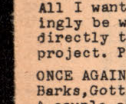

TÖPFER: BILDROMANE (112 pp, b/w, facsimile reprint) 20.oo (quantity/discount available) The Swiss Töpfer (early 18th cent) was one of the most important precursors of the Comic Strip with his satirical long pictorial stories about misfortunes of petty bourgeois. (german) oversize
CREPAX: VALENTINA II (German; plus dutch sex-education comic, and a load of early USA-underground - all 320 ps, b/w, softbound) Crepax, the acknowledged master of minute strip-eroticism (with def. sado-maso & fetishistic overtones) fascinates even those who don't dig his particular hang-ups through his compelling handling of the medium. 15:50 ea (quantity/discount

STRIP-REPRINTS: USA/other: CHARLIE: French monthly adult mag reprints many USA-strips, but also original work of the European great (Pichard, Wolinski, Buzzati, Cabu, Reise a.m.o. Most with satiric touch. (should all be listed in Horn's encyclopedia). b/w, 60 pp or more, all FN/NM. 1970: 13-23; 1974: 67 (some color) 2.50 ea or 20.oo all.

LINUS (italian siter mag to Charlie) did a couple of years ago supplements with mainly reprints of USA/GB strips (whole episodes). b/w, 160 pp, large. March '68 (Tintin, Li'l Abner, Ben Casey, Holdaways 'Romeo Brown' a.o.); Feb '70 (Jeff Hawke, Moomin a.o.); March '70 (Li'l Abner, Jeff Hawke a.o.); March '71 (Romeo brown, Abiie & Slats, Moomin a.o.). (If you love Oz and other whimsy, you'll dig Moomin!) all NM; 5.oo ea or 16.oo all.
SWEDISH REPRINTS: for anyone intereted I could get virtually any USA-adventure strip (GB too) in b/c comicbook reprint. eg.: Phantom (good swedish produced Phantom too), Modesty, Hawke, Garth, Kerry Drake, Hazard, Corrigan - you name it - it's probably reprinted over here (exc. Canyon and Terry). Current issues should be quite cheap, between .50 and 1.oo. Only 'X-9' is 1.50 or thereabouts, but then you'd get 3 complete episodes from out of the following: Modesty, Hawke, Garth, Kirby, Hazard, Easy - brimful. Older issues somewhat more expensive, but not as much as Disneystuff, and not as high as the States. Even books (ca 4.oo) and thick comics with Hogarth Tarzan, color
And wh t about a complete set of Swedish Warrens? O, ye faithful Swedish Americans? About 40 warren-size b/w issues + two large softcover books. Ran between '72-'75. The the Swedes gave up on horror. Any reasonable offer welcome. They're worth a bit at least, and not just a better sort of wrapping paper or the like...

VINTAGE GOTTFREDSON: all German books below available in quantity (discount). 112-144 pp, 10x14", hc, full color. 20.oo ea. These 4 carry only prewar Gottfredson: Mickey 1 (Death Valley, MM-Detective, MM & newspaper, 5 more); Mickey 2 (Pirate Sub, Foreign Legion, Robin Hood, 5 more); Goofy 1 (Ostrichrace, Phantomblot, 4 more); Goofy 2 (Photo Safari, Dude Ranch Bandit, 4 more). Both Goofy carry 6 posters ea from the delightfully naive covers of the British MM-Weekly of the 30-ies.
Similarly: BARKS: Donald 1 (Mahardaja Don, 7 more); Dagobert 2 (=US) (Pirate Gold, 7 more). Also avail.: Donald 2, Dagobert 1, all Barks, but esp 'Dag. 1' no really rare stuff.

GOTTFREDSON POCKETS (ITALY): b/w, ca 250 pp. Set (3 books) MM 1930-32, some color, NM/M 25.oo; Topolino (Plumbergang, Blot, Caveman Island) VG 3.oo; Eega Beeva (stroies of late 40-ies. See Peg Leg Pete with a peg-leg in 1949!) FN 5.oo; Goofy (Goofy & Agnes, + stories from early 50's dailies) 1 p out, FN 3.oo

TOPOLINO D'ORO: 'the finest reproduction of Mr. G's work ever done' - thus Malcolm Willits 1968 on this now completely out of print series from Italy. b/w, full size, thick quality paper, color covers, 50 pp. I have a couple of dupes at 10.oo ea: 17 (Secret Agent), 22 (Whalehunter), 24 (Blot), 25 (MM in Love) 33 (House of Mystery); 17 (Ostrich race + Talliafero Silly Symph.; binderholes); 12 (Bobo Elephant, Sacred Jewel; hc). All NM/M exc for some writing on cover. I also would sell my own complete set (all Gottfredson from 1930-45), 33 Vol. against a real swell - and I mean swell, those are very rare and extremely fine - offer. All NM but somewhat worn along spine-cover, and corners creased from post.
Also can get you really brilliant & clear fotocopies of all G. stories between 1947-56. Presumably from original proofs or very good clippings. One sheet (16x12") carries 1 week. 1.50/sheet. Can be done on both sides, but this means 15 % price-increase: more job and waste if it is to turn out nicely. Could mail sample. Delivery might take some time, as the guy whom I get them from is not always available. I reserved a set myself, and they are really good.
GOTTFREDSON BIBLIOGRAPHY: (1930-56) 64 pp (4.4 x 5.6"), ill. annotated, cross-indexed for reprints; detailing & correcting Willet's incomplete bibliography of '68, and bringing it up to the very end of storyline in MM-dailies 1956. In what I hope to be passable English. This is the book I've ready for offset printing, provided you people out there are interested at all. Depending on print-run it would cost between 5.50 and 3.50 (run of 250 reps. 750). Quite some money, but also a heck of work and money for material over the last two years. And still there are some holes in my bibliography. Anyone who could get me relevant information (title & contents summary) before Oct 15th will get a free copy either of this or my Disney -Reader (see seperate gripe and growl 2 columns further on). There also a list of dates I'm still missing). A very much shorter version of this bibliography will be published in my (German) reader, too. This English language fan edition will only come off, if at least you pre-order it before Oct 1st (your mailing date). For this you will get 15 % off the final cover-price. There are more than 750 would-be buyers, I could make it somewhat cheaper too. On larger Orders (dealers) I will give up to 40% discount. If you want this item to see the daylight, then write: delivery late Nov/Dec. Don't send money -just write... Forget: it will have to be easy, too!

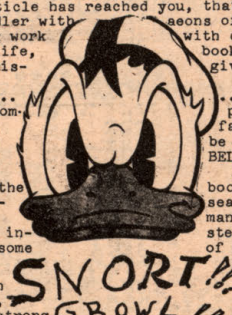

I ALSO BUY & TRADE: I'm only looking for the quality stated. I shall not accept very brown or brittle pages. I shall pay not more than the appropriate Overstreet-price, preferably less. I've seen so many ads from you buying below the Guide, that I'm sure there must be people out there selling at those price. Well, why not sell them to me for a change...? I'm looking for: Spirit (except Warren/Kitchen) G (the Vital books up to 5 in fr only, as well as the Weekly 1940); Cole's Plastic Man (G; early ones Fr); Al Capp (G); early Disney & Barks (fr only; even NC considered if price right); Barks Giveaways and non-Disney (fr, Giveaways even pr); Kelly Pogostories (G; older ones fair). Single issues: Cap Marvel (Fawcett 22 (G); Little Annie Fanny (white ed. G); Myron Moose 1 (FN); Kurtzman: Jungle Book (VG); Bobman & Teddy, Great Society (Parallax Comics, both G); Newspaperstrips: prewar Silly Symph. and MM-Sundays (only continuity stories). I'll answer every offer! In max 14 days you will have my answer! If you haven't - this means I'm away from home - then go ahead and sell elsewhere if you can! Thanks -
That's all for now. I hope you found at least something of interest to you - preferably more, though. If you have any trades (esp for the Valiantprints, and the Disneyruns, but also for single items), I'm very interested.

BY GOLLY - THESE FOREIGN COMICS ARE SWELL!!! I CAN TELL MAGGIE, I READ THEM ONLY FOR THE LANGUAGE

8000 or more - not dollars but fans and dealers! 8000 or more could have read my ad in TBG 120 where I asked for help with identification of Disney artists, to finish my book 'The DisneyReader'. Dwight Decker put me on to some good people who still might turn up soemthing, although it's 5 past 12. Another gent asked me to find him a MM Hurdy Gurdy over here! The rest, as the Bard had it, was silence - a resounding silence crying out shame with many voices. Sad to report, too, the many big fans I listed in my ad as having been approached by me, did not come forth with anything substantial, if they came forth at all. Apart from John Meyer, who really went out of his way to help me with Paul Murry. Three cheers for John! This really was swell!
8000 fans or more: stands to reason that each Disney artist has at least one ardent fan, must be known by name and art to at least one out of 8000...! I don't know whether you just skipped my ad, really didn't know a thing, were too busy to drop me a line, or just would not be bothered. The fact remains that Comic Fandom put on a very bad show in this respect.
A few years ago I did my PhD on SF, and I received support, help and active solidarity from fans, collectors, and authors even to an extent surpassing even my wildest expectations. Whereas during the 3 years or so I worked on my Disney book it was, by and large, thumbs down from Comic Fandom. This not only considerably slowed down the project & made me feel like a fool to even try. Worse still: the workload which would have been small if shared by many crashed down like a ton of bricks upon those few kind souls who offered any help. Drowned by my questions th y must have felt mercilessly exploited, and, not surprisingly, withdrew themselves. But at least they tried, and that's more than one can say about many others who I have every reason to suspect of being able to help. Please, don't try to pass the buck by claiming that SF-Fandom is much older than ours. Busy? No doubt, many of you people, and especially those I did approach, are busy. But too busy to drop me a line? Over the past couple of years I have received requests from you over there as well, be it a piece of information, digging up an old buddy's adress, and similar. I think, I answered each and everyone of them. And quite often, I not even got an answer, acknowledging that a requested article has reached you, that the information given was useful. Too busy? And before you peg me down as either an idler with [illegible] aeons of time at his command, or a working robot: I'm neither. I've got my share of pressing work with comic-editing, deadline for fanzines, writing and the like, and I enjoy friends, outdoorlife, books, music, good food and what have, just as I hope you do. All this only to back up my mis- givings that you could have found time if you only had wanted to...
Some of you who read this might feel angry.. ... if the shoe don't fit, don't put it on, it's not meant for you. But if it does: don't complain if it pinches - you selected it..
Now and then I read complaints in TBG that fandom has become too big, too busy to spend time on anything which not immedeately can be converted into cold cash, valuable collector's items, or superfan fame. I STILL REFUSE TO BELIEVE THIS! AND THEREFORE I'M MAKING A 2ND attempt...
All contributions will be acknowledged in the book, and substantial one's will receive a free 'Reader'. I'm not out to snatch me some researcher's honor which would not rightly be mine. All I want is Fandom's help with a project many of you should be interested in, and, accordingly be willing to share their knowledge, instead of hoarding it like a miser. This is adress directly to thos Big Time Fans among you, some of who have expressed their 'sympathy' with my project. Please, let this be followed by DEEDS.....

ONCE AGAIN: I need help with identification of all Disney Comic Books artists except: Barks, Gottfredson, Talliafero, Wright, Moores, Bradbury, Murry, Bradbury, Hubbard, Gonzales. A couple of names, as yet unidentified: Armstrong Ken Hultgren, Strobl, Stanley (on DD??), Alvarado, Hannah (exc FC9), Riley Thomson, one or more Carey. There must be many more. I have most of the Disney Comics (of all!), therefore it would be sufficient if you did one of the following:
a) xerox (or similar) pr artist & character, if he worked on more than one. Also pr style-period, if he had a considerable style-change over the years. I'll cover all costs if needs be - I don't expect 8000 xeroxes, anyway...
b) write down issue nr & year (along the same lines you would do xeroxes). I then can check up in my collection.
Please, identify story either by title or pagecount, starting with front-cover as p. 1. You also might refer to covers. Eg. who did cover to 'Terror of River' (FC108): he did lots of stories too.
I'M MAINLY INTERESTED in the period between 1943-55, as this knowledge might soon get lost. But help with later artists will be welcome too, as will photos of artist or any checklists you might have. BUT MOST IMPORTANT IS THE IDENTIFICATION WITH EXACT DATES. Vague hints that so-and-so did this character without givin sample or date are fairly useless...
c) I also would appreciate very much a checklist on Barks Oils (annotated?) (apt from those in Graphic Gallery).

If you can't help, perhaps you know someone who can, and, please, urge him/her to help me: RIGHT AWAY! AND DON'T PUT THIS OFF UNTIL LATER WHEN YOU HAVE TIME! YOUR KNOWLEDGE SHOULD HAVE BEEN OVER HERE AT STOCKHOLM MONTHS AGO ALREADY!!! If you want to help, it must be right now or even earlier. The book will definitely go into print for next spring, and this is a last DESPERATE attempt to make it still as good as YOU could help me make it.

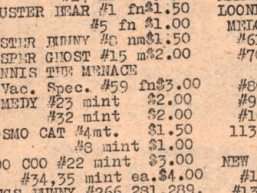

THANKS A LOT if you can help and do; my apologies if you really can't help - then I harangued you unjustifiedly; But if you could, and just won't, well, then, I suppose, there's not much love lost between us anyway. But still, in case I was the one who got off with the wrong foot in our relation, I'm sorry if you have cause to believe so.

All the best, and keep collecting fun, and solidarity in fandom in spite of differences of opinon. Horst Schröder

GOTTFREDSON BIBLIOGRAPHY(cf my ad 1st collumn): anyone who can fill me in on the few still missing bits of Gottfredson's MM-strip (plus some other Sundays) will receive a free copy of my bibliography. It's not much, but it's still something in recompense for your help. This applies only to that information which reaches me first, and it must reach me before Oct 15th to be of any use. So, please, go and check up you clipping-files. I'm lacking information on the following dailies MM: Nov 23-30 (1942, pres. gags); Feb 26-May 29 (1943, gags or stories & 3-5 weeks) Feb 6-Ap 15 & July 17-July 29 (1944 both, pres. gags and stories: War Orphans? Pluto Catches a Spy?). Then te real big hole: Jan 29 1945-Feb 23 1946 (in '45 I suspect Billy the Mouse and some other stories, in '46 stories of 2 weeks ea.); Ap 15-May 4 (1946, 2-week stories?); May 20-June 15 (1946, 2-week stories); June 31-Aug 24 (1946, 2-week stories); June 16-28 (1947, gags or 2-week stories).
There is also some trouble on the Sundays. I'm not sure whether Malcolm Willit's bibliograp from 1968 (in Vanguard) is all correct, I caught a couple of minor mistakes and omissions. If you know of any SUNDAY CONTINUITY (2 and more) outside the following dates, please let me know: 1932: July 31-Nov 6; 1933: Jan 29-June 18; 1934: March 11-Sept 9; Dec 9- Jan 20 1935; 1935: Feb 10-March 24; July 28-Nov 24; 1936: Jan 5-Jan 26; Ap 26-Oct 4; 1937: May 16-Oct 24; 1938: March 6- Ap 3; Aug 28-Nov 20; [illegible]
But also the artosts who took over from G. did Sunday-Stories: Gonzales at least 1940: March 17-July 14 (Photo-Safari). But also Bill Wright must have done a couple. Pres. 1943 Sept 12-Nov 14 (River Vacation, rep WDCS 61); and a 17-[illegible] week story!! (Prof Experiment WDCS 67/68 in 1943. Probably more. Any Sunday story discovred outside these dates above (with short description of story and dates) will get you a free copy. In case not suffient people are interested in the bibliography to warrant printing, than you'll get a copy of the Disney reader (cf gripe and growl collumn above) which will appear in spring next year.
Before you get off on the wrong track, I'd like to mention that Don Rosa's index in RBCC is mainly wrong as far as Gottfredson MM is concerned between WDCS 61-100 (which is all I know of the index). Only 99/100 I know to be correct, and 77. All the rest between 69-99 is wrong. Some of 61-68 might be right, but all would bear [illegible].
Thanks for helping and showing your interest, and, please, remmeber to post your information NOW! Air-mail [illegible] a week to Stockholm. Horst Schröder; Birger Jarlsg. 119/1; 113 56 Stockholm; Sweden.

Are you really into film collecting . . . or would you like to be? If so, then **FILM COLLECTOR'S WORLD** is just the place for you! It is a monthly tabloid newspaper exclusively for film collectors like yourself.

Each issue is over **40 newspaper-sized pages big,** featuring **hundreds of ads** from big film companies and small, part-time collectors alike. The ads offer a wide variety of 8MM, Super 8, 16MM and 35MM films for sale . . . as well as ads for movie posters, movie stills, pressbooks, slides, film clips, movie conventions, nostalgia stores, original cartoon animation art, soundtrack records, autographs, and more! **Everything that has anything to do with the film collecting world will be found in our pages.** You may find something you have been looking all over for, or something you didn't even know existed!

Aside from the advertising, we have regular columns, news features, interviews, tours, photo features, contests, film reviews, an information center for your questions, a letters page, reviews of books about the movies, and much more! (Our past few issues have taken our readers on a photo tour of both WALT DISNEY PRODUCTIONS and BLACKHAWK FILMS as well as an index to all cartoons now available for collectors from companies all over the world and an interview with Mel Blanc, voice of many cartoon characters including Bugs Bunny. We've also had a salute to the TARZAN movies, among other special features.)

A full year's subscription to **FILM COLLECTOR'S WORLD** is **just $3.00** (12 issues). Thanks to the many pages of advertising we publish, we can offer you our paper at about half our cost. **You'll get each big issue for just 25c!**

ALAN LIGHT recording material for the record directly through the speaker system in the control room of the International Room for the best sound possible!

By special arrangement with the 1975 San Diego Comic Convention, which was held July 29 through August 3, we recorded all panels and speeches and took the best parts to put on this 12" LP record. You see the contents above! In addition to the regular convention events which we recorded, we taped a special interview with Superman's creator, JERRY SIEGEL (who did not talk at the convention and has never given a fan interview before!). This record is just like one you would buy in a record store and the total playing time is nearly one hour. It comes in a sleeve and full color attractive jacket with black and white photos of the convention. It's ready now at just $5.98 postpaid. ORDER SOON! LIMITED PRESSING OF JUST 500 RECORDS!

MERLIN HAAS P. O. BOX 41 EL PASO ILLINOIS 61738 WSA #324

Well, it finally happened. My collection has gotten so large that I'm completely out of storage space. So it's time for a massive culling out of the old runs and duplicates that I don't need any more. Below is just a portion of the stuff I'll put up for trade eventually. All items are up for TRADE ONLY! My want list is on the next page and I'll trade generously on the recent junk I have in order to be rid of it. On 'quality' stuff that has a pretty good market demand, I'd prefer to trade even up on the Overpriced Guide values. As I said, I have more stuff not listed, along with wants I didn't have room to list. Please send Want Lists and For Sale lists if you have them. Letters with SASE are assured of replies, others will get replys if I'm interested. If I owe you a letter, please write.

That's it for this time. Remember to get those want lists off to me. All inquires will be answered! Trade offers are always considered, so don't hesitate to make one. My personal wants are:
Conan #9 & 14, Green Lantern/Green Arrow #76 & 80, Kewpies #1, House of Secrets #92, Savage Tales #1, Planet #25, House of Mystery #160, The World Around Us #28, Adventure #174, Mighty Mouse #1(St. John), most any Quality comic, many Brave & the Bold, many Showcase, original art of most any kind, particularly convention type sketches or request drawings.
Hope to hear from a great many of you out there in fandom. Besides being a comic freak, I also get off on corresponding with anyone on any subject. Fanzine editors----write. Ihave quite a few real nice original, unpublished art pieces that are available for your use...free or charge.

THE DRACULA TAPE, Saberhagen (1st prtg)--16 copies--$2.00 each.
Saberhagen is the most undervalued SF writer today. His "Berserker" series will one day (is now) be a classic. I wish the publishers would reprint them; they would sell, but printing houses do not take proper stock of writers.

FAMOUS FUNNIES

A CARNIVAL of COMICS

THE 2nd COMIC BOOK EVER : now up for: BID From 1933, see Overstreet for complete description. Still has most of gloss. Slight discoloring (age). BEAUTIFUL BOOK Two rips on spine (½" at top, 3" at bottom). Both could easily be repaired by someone who knew how. If not for rips, I would grade it fine-mint. This book would fit well in the collection of the most discriminating of collectors. The highest bid in 2 weeks after I get my TBG gets this Historical, Key book. Please be realistic with bids as I reserve the right to refuse all.
